

1. Overview

A simple, lean HR portal:

- Attendance (clock-in/out – Through CTA)
- Leave management (apply, approve/reject, balance)
- Present/Absent calendar visualizations
- HR admin area for employee creation, role management and leave approvals.

2. User Roles

- **Employee:** Holiday Calendar, view own attendance, apply for leave, view leave balance, personal profile, raise Ticket
- **HR / Manager:** create/edit employees, view team calendars, approve/ reject leaves, edit attendance
- **Admin:** manage system settings, user roles, organization-wide reports

3. Core Features (High-level)

1. Authentication & Role-based (access only hire-in.com email accessible)
2. Employee Directory / Profile
3. Attendance
